TVA intracommunautaire : FR49382986438

These prices apply to the rental of a refrigeration unit for the duration of the Snack Show 2026, which lasts 2 days.

The **rental price** (excl. tax) and the **transport cost** (excl. tax) are now presented separately to provide clearer visibility for each component.

### Additional transport cost per order:

- €250 for the first unit
- €190 for the second
- €150 from the third unit onwards

### What is included :

- Rental for the duration of the event
- Round-trip transport
- Installation without constraints or manual handling
- After-sales service within 48 hours (excluding weekends and public holidays)

To ensure that the units are set to the correct temperature upon installation, it is essential that the required temperature be specified at the time of the order.

*This price includes round-trip transport, handling, and installation during setup and dismantling*
